Welcome To The Surrey BIRDING ADVENTURE SCAVENGER HUNT!

Get ready to explore the best birding destinations in Surrey, spot unique species, and support local businesses along the way.

Whether you're a seasoned birder or just getting started, this scavenger hunt is packed with fun for bird lovers of all ages and experience levels. Complete the activities, check off your bingo card, and answer trivia questions for a chance to win a BC Bird Trail prize pack! Grab your binoculars, head outdoors, and let's go birdwatching!

STEP 1:

LET'S GO BIRDWATCHING!

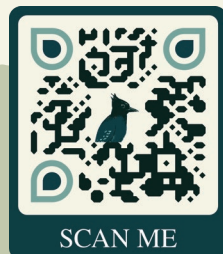

Check out a birding location or two:

 Blackie Spit	 Elgin Heritage Park
 Surrey Lake Park	 Green Timbers Park
 Serpentine Fen Nature Reserve	 Sunnyside Acres Urban Forest

STEP 3:

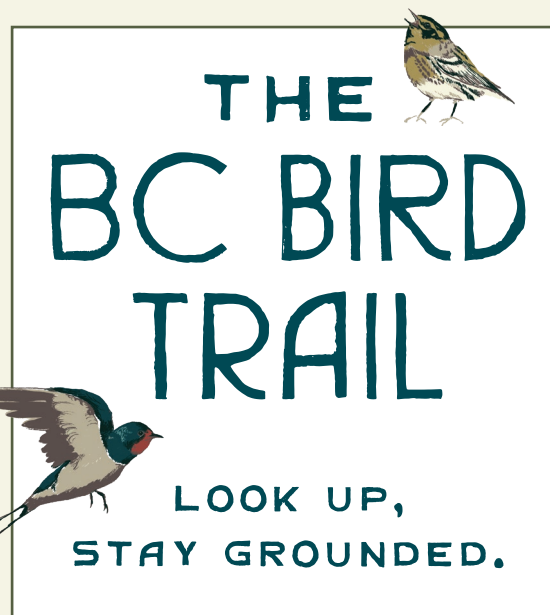

TREAT YOURSELF AFTER A DAY OF DISCOVERY!

After all that bird-spotting, treat yourself to something delicious! Sip a rich cup of coffee at a local café, or savour global flavours on the Surrey Spice Trail. Recharge and support the small businesses that make Surrey so vibrant. Scan the QR code to explore the Spice Trail.

SCAN ME

Scan the QR code for more details on birding locations in Surrey, bird ID help, and other helpful links!

STEP 2:

BIRDWATCHING BINGO

While out on your adventure, keep an eye out for these unique bird species and behaviours. Be sure to cross them off as you go along. Challenge your friends to see who can achieve a Bingo first!

Need some help identifying birds? No problem! Just scan the QR code at the bottom of the page for pictures of the species and more birding info.

STEP 4: LET'S GET CREATIVE!

Find a quiet bench or log near the water. Observe a bird that's perched, feeding, or gliding nearby. Draw what you see! Try capturing key features like beak shape, feather patterns, or body shape.

You don't have to be an artist—it's about noticing the little details to help increase your bird identification skills and having fun!

STEP 5: IT'S TRIVIA TIME!

Test your knowledge of birds in Surrey! How many can you answer correctly? Find the correct answers at the bottom of the PDF to check your work.

- | | |
|--|---|
| 1. Which owl doesn't migrate and stays in its territory year-round?
a) Long-eared Owl

d) Goldfinch |
| 3. What type of tree does the Pileated Woodpecker most commonly drum on to find food?
a) Oak b) Pine c) Maple d) Birch | |

STEP 7:

Want a chance to win one of five:

BC BIRD TRAIL PRIZE PACKS?

To enter, submit a scan or photo of your completed PDF through the form on our blog (scan the QR code to access) or email it to us at info@bcbirdtrail.com.

The winners will be drawn in October 2025 and contacted by email.

STEP 6: KRIS CU BIRD ID CHALLENGE

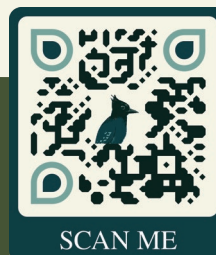

It's time to develop your bird-watching skills! Stop. Listen. Look. Kris Cu, Surrey-based bird guide and wildlife photographer, challenges you to slow down, turn off the music, and tune into the sounds around you.

CAN YOU IDENTIFY A BIRD JUST BY SOUND?

1. Write down what the bird sounds like (e.g., White-breasted Nuthatch - "Yank yank yank," sung through your nose.
2. Guess which bird it might be!
3. Use Merlin Bird ID app to confirm your guess. (Scan the QR code to download)
4. Try copying the sound yourself - how close can you get?
